PRIME DIRECTIVE

Regardless of what we discover, we understand and truly believe that everyone did the best job they could, given what they knew at the time, their skills and abilities, the resources available, and the situation at hand.

Weather Check

How do you *feel* today?

3 - I'll talk about some things, but others will be hard to say

2 - I'm not going to say much, I'll let others bring up issues
